

Reality Leads Fantasy Celebrating Women of Color in Flight

Meet the Future

Gala attendees are invited to share in the adventure of exploring the heavens with the future and those who create the future prior to the Gala.

Join students, their parents and educators on the Lakeview Terrace* at Navy Pier at a magical event and meet the scientists, pilots, technicians, astronomers, flight surgeons, astronauts, engineers, designers, mechanics, actors, poets, writers and artists—all the folks who make the dream of flight possible.

Take pictures with Queen Bess, aliens, planes and spaceships of the past, present and fantasy... Learn your future, discover dreams. And just have a lot of fun. We encourage you to come.
